January 1, 2022

Dear Community Member,

In conjunction with Children's Wisconsin and the Rustic Road Run, we would like to ask for your consideration in supporting us for our 2nd Annual Rustic Road Rally on June 4 & 5, 2022. Our 8th Annual Rustic Road Run will take hundreds of bikers around Southeast Wisconsin on the Rustic Roads designated by the Department of Transportation. Riding for a cause, all Run profits will benefit Children's Wisconsin.

Last year with the support of businesses and individuals who made donations, despite COVID-19, we were able to donate \$15,000 to children being treated for all types of illnesses, injuries, birth defects, and other disorders. It is with your help and support that we can give back to the community that provides the best pediatric care available. We hope with your generous donation we can far exceed that this year.
